Tadesse Gebremicheal Berhe

I am a highly motivated Android and Flutter mobile app developer with a strong passion for creating user-friendly and innovative applications. With hands-on experience in designing, developing, and deploying cross-platform mobile solutions, I specialize in delivering high-performance apps that meet user needs and business objectives.

EDUCATION

Mekelle Institute of Technology (MIT), a branch of Mekelle University (MU), Bachelor of Science (BSc) in Information Technology. Graduated on 20-11-05 with a CGPA of 3.97 and an exit exam result of 79/100.

EXPERIENCE

Alpha-tech Mekelle, Tigray, Ethiopia -as a mobile application developer (2018-june up to 2019 June)

I worked as a mobile application developer for six months, gaining hands-on experience in designing, developing, and deploying user-friendly mobile apps.

GTS Mekelle, Tigray (Jan 2024) -(Nov 2024)

I worked as a Technical Expert and Front-End Developer, specializing in creating visually appealing and user-friendly interfaces.
